Modern and sleek with quirky design touches at every turn, the W Bali and its **AWAY Spa** blends Asian influences with a fun, carefree attitude. Comprised of a labyrinth of futuristic facilities including a decompression lounge where you can dose up on fresh oxygen pre-treatment, the spa boasts a hot stone bath, cold jet vitality pool, hammam and chill bar, along with a funky nail bar and Hollywood-style hair salon. Equipped with private meditation platforms and vitality baths, five single and double treatment rooms are located alongside two deluxe spa suites. Divided into three categories – Serene & Soulful, Glamour & Glitz and Fit & Fabulous – treatments are custom-tailored to the individual and include a range of exotic Balinese therapies. The best part? AWAY Spa is open 24-hours, so you can be pampered around-the-clock.
